St. Stanislaus School

Happy Catholic Schools Week! The theme this year is Catholic Schools: United in Faith and Community. During this week, we are focusing on different aspects of our school's community such as faith-based learning, community involvement, staff, students, and parents. Each one of us plays an important role in our students' education and faith life. Together we can continue to provide our kids with the education and faith foundation to become saints in Heaven. Check out our Facebook page for posting of our events each day.

Professional Development: Last Thursday afternoon, teachers collaborated to finalize our Catholic Schools Week plans and went over upcoming events. Everyone on our staff has played an important role in this week's events. Thank you!

Self-Study: This School Evaluation Process (Self-Study) is for the accreditation of our school which happens every seven years. The initial piece of our Self-Study is done with the help of our staff and parents. Then a visiting team will come from other schools in the Diocese to our fabulous school between March 10-12, 2024 to confirm our findings and maybe even offer suggestions. Please send prayers to everyone on our Self-Study team as we begin this accreditation process.

PreK and Kindergarten Registration: Be on the lookout for registration information for the 2024-2025 school year.

Many blessings,
Mrs. Forbis
