St. Stanislaus School

What a great morning we had with our grandparents and special guests last Friday! We began our day with a beautiful Mass hosted by 8th grade, refreshments, and then listened to some great music from the 5th and 6th graders, Mrs. Andrews, and Mrs. Stumpe. Thank you to everyone who had a hand in making this day a success!

Welcome Back: Welcome back, Mrs. Eggen! Mrs. Eggen returned from her maternity leave on Tuesday. She is grateful to have spent some extra time with her daughter, Ella, during the first part of the school year, and we are lucky to have her back. We appreciate Mrs. Gibbons subbing for Mrs. Eggen during this time period.

Megan Meier Foundation: Our 3rd-8th graders went to St. Joseph Cathedral for a presentation from the Megan Meier Foundation. They joined other students from around the diocese to learn about social emotional, mental health, and many other topics. A video of her talk with the 6th-8th graders can be found at facebook.com/share/v/LwPCU+UA2Xvw97ms/.

Testing Week: Testing week is October 7-11 for grades 3-8. Please help prepare your children for the week by making sure they get plenty of sleep and have a good breakfast each morning. We want them to do their best.

This week, I would like to recognize our support staff at St. Stanislaus School. Thank you for all you do for our students and our school!

Jean Reinkemeyer: PreK 3 year old para

MO Catholic Conference Statement on Amendment 3

Amendment 3, which will appear on Missouri's November 2024 ballot, is an extreme constitutional amendment that legalizes abortion at any stage of pregnancy with no protections for the preborn child, even when the child is capable of feeling pain. The amendment would effectively repeal long-standing health and safety standards for women. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws prohibiting public funding of abortion, and parental consent requirements before a minor's abortion.

Jubilee Year of 2025

Dear Parishioners,
Every 25 years, the Catholic Church proclaims a year of Jubilee. During that year various churches are designated pilgrimage churches where one may go to pray and obtain the Holy Year indulgences. The basilica's in Rome are given special prominence as places to make pilgrimage in the Year of Jubilee. On December 24, 2024, Pope Francis will proclaim the Jubilee Year of 2025. You are invited to make a pilgrimage to Rome in 2025. Several pilgrimages are being planned to travel from our Diocese to Rome. Monsignor Cox will lead a pilgrimage to Rome leaving on May 28 and returning June 5, 2025. If you are interested, there are flyers in the back of church. Please register early to secure a spot!

Announcement from the Knights of Columbus

We, the Knights of Columbus, are here today to speak for those without a voice... the unborn. I am sure most of you know we will be voting on a Pro-Abortion amendment to the Missouri state constitution in November which will forever change our rights as Missourians. Called, Missouri Right to Reproductive Freedom Amendment (2024), it is nothing more than legalized killing of babies. We would hope and pray I wouldn't have to ask or persuade any of you here to vote to protect the unborn. What we are asking and encouraging you to do is go to your workplace, schools or friends' groups and bring up the subject. Make sure your circle knows how you stand and they know the facts of this proposed amendment.

We do not have the exact wording that will be on the ballot yet, but here are a few key points of this amendment:

- Taxpayer funded abortions
- Abortions for minors without parental consent
- Remove liability and regulations from abortion providers
- Make abortions available up to the point of birth
- Pregnancy Resource Centers must refer abortions

The funding for the support of this amendment is almost 100% from outside Missouri such as the ACLU. The funding opposed to this amendment is 100% from various pro-life groups within Missouri. Why would any Missourian vote for any law proposed and funded entirely by groups outside our state? To combat this evil amendment, the Knights of Columbus has earmarked money from our Meet Life Fund. This money would normally be used to help protect the unborn and help families at-risk. Two years ago, at the KC state convention, we passed a resolution making \$5 per member a council obligation. We have asked all KC councils in the state to contribute their \$5 per member obligation to Meet Life (more if you can) as soon as possible. This vote in November will have life and death consequences. History will judge as to how hard we fight this evil amendment and stand up for the unborn.

Please be alert and vigilant. As more information becomes known, the Knights of Columbus will be here to keep you informed and protect the lives of our most vulnerable.
