### Liturgical Role Vacation Schedules

If you participate in the Mass in any Liturgical Role, it would be very helpful if you would email me the dates you are going to be gone this summer. Parents of altar servers, please send me the dates your children will not be able to serve due to sporting events and vacations.

[ststansec@socket.net](mailto:ststansec@socket.net)

This will help prevent no-shows at Mass or trying to find substitutes at the last minute.

Thank you.

### Note From the Quilters

We would like to thank everyone that brought lunches for us during this past season. Also thanks to everyone that donated quilt tops and money for supplies. Everything has gone up in price, so we really appreciate your contributions. Thank you to anyone who contributed in any way. See you at the quilt auction. The Quilting Group

**Please consider becoming Virtus Trained**

As we continue to strive to provide a safe environment for all our children and elderly, we ask that you take some time to go through the Virtus Training / Safe Environment Program.

We are asking you to go through the training because it will open your eyes to situations you might not have otherwise noticed. Our Diocese takes this problem very seriously, and has developed this program as a step towards making our church and school environment as safe as possible. Many other churches and organizations are using the same program or have developed one of their own to address the same issues.

- The Parish Center has a computer set up that you may use to complete the training. You can stop by the office during regular business hours and the staff will help you log on and complete the training.
- You can log in to the training program from your home computer by going to [Virtusonline.org](http://Virtusonline.org) and complete the training in the privacy of your own home.
- You can attend a group training session scheduled for Wednesday, May 18th at 6:00 pm in the Parish Center. Please fill out the form in the back of church and return it to the office so we know how many people to prepare for.

Thank you for investing your time to make this community a safe place for everyone.
