## St. Stanislaus School

I was able to spend the day in the classroom one day last week. It was great to interact with the students in a different way. I helped them with expanding their sentences, and they taught me a thing or two about hunting.

**Spelling Bee:** St. Stan was represented well at the Spelling Bee last week. The students who attended did a great job. Congratulations to Audrey Kaiser who placed 3rd in the 7th grade competition! Thank you, Mrs. Andrews, for getting our students ready for this annual competition!

**Girl Empowerment Day:** Thank you to Kearra Steinlage for talking to our junior high girls about Girl Empowerment Day and the Zonta Club at Helias. Sign ups were sent home but the form is also attached below for Girl Empowerment Day. Sounds like a great day of fun learning!

**First Communion Centers:** As the second graders eagerly anticipate and prepare for their upcoming First Communion, this week they deepened their understanding alongside their parents by participating in various centers. Each center is designed to expand their knowledge and spiritual connection. Through discussions on things like components of the Mass, the significance of the Last Supper and Baptism, and tasting of the unconsecrated host, the 2nd graders explored their faith and grew closer to God. Please continue to pray for these young students as they continue their journey to making their 1st Communion.

**Optimist Club:** Anna Lurkins was honored this week with the Optimist Club of Jefferson City Youth Appreciation Award. Congratulations, Anna, for bringing honor to our school and parish community!

**Baby Fever:** Our staff celebrated Mrs. Eggen and Baby Eggen last week during our meeting. Most of the kids think she is having a boy. We will soon find out as Mrs. Eggen is due at the end of May. Congratulations Eggen Family!

Many blessings,  
Mrs. Forbis

### Pickleball

Come Join the Fun! Pickleball at the St. Stanislaus Pickleball Courts open play for adults is back on Thursdays from 5:15 until dusk. Contact Karen Douglas with any questions at 573-694-6700. Free lessons upon request.

### Breaking the Silence of Abuse

As a diocese, we are committed to breaking the silence of abuse. When someone is reporting abuse, we must acknowledge their pain and how difficult it is to talk about it. False allegations are very rare. Our initial response to someone who is disclosing abuse for the first time must be compassionate. For those who need to report abuse, encourage them to contact our Victims Assistance Coordinator, Jacqueline Baldwin (573-694-3199) and to make sue of the appropriate State of Missouri hotline (1-800-392-3738) or the Attorney General's clergy abuse online form. All of this information is also on our website, under the 'report abuse' tab. For those who want information or want to convey a message to Bishop McKnight, please encourage them to write to us at [reportabuse@diojeffcity.org](mailto:reportabuse@diojeffcity.org).

## Statement of the Missouri Catholic Conference on the Abortion Initiative Petition

The Catholic Church supports and defends society's most vulnerable, especially women and children, through accompaniment, social services, and material assistance.

A misleading proposed amendment to the Missouri Constitution suggests that a "right to an abortion" is needed to protect women, while the amendment could actually put women at risk and endanger preborn children. This ballot initiative would legalize abortions in this state and remove long standing health and safety standards for women. In addition, this initiative does nothing to reduce or eliminate the underlying social causes for abortion and does not further a true culture of life in the state.

Groups are currently collecting citizen signatures to add the amendment to the November 2024 ballot. **We encourage all Catholics and people of good will to not sign any petition that would put this amendment on the ballot.**

The Catholic Church in Missouri will continue to provide spiritual and material support to expectant mothers and their families through our parishes and ministries, and to advocate on their behalf and on behalf of their preborn children. For those women suffering from the pain of an abortion, the Church will continue to offer true healing and hope through its Post Abortive Healing Ministries. We ask all to help us in these efforts to safeguard the right to life.

We look forward to the day when every child, born and unborn, has the love and support needed to thrive and reach his or her full potential. Let us pray for a greater recognition of the gift of each and every human life in our society.

## WAYS TO GIVE

From our school's founding in 1956, the generosity and stewardship of our community have moved the Helias Catholic mission onward.

Completing this final phase of our campus master plan is a roughly \$30 million investment in the future of Helias Catholic. Combined with contributions remaining from our previous Rooted in Faith, Building on Excellence campaign and additional funds pledged toward the project, we hope to raise a total of \$14 million between donations to the Spirit of Excellence campaign and committed support from The Foundation for the Benefit of Helias Catholic High School.

Gifts to the Spirit of Excellence campaign can be made in a variety of ways: prayer, cash/check, credit card, securities (stocks, bonds and mutual funds), annuities, planned giving, and corporate matching gifts.
