Save the Date - Totus Tuus

Totus Tuus is a fun summer catechetical program for youth entering grades 1-12 in Fall of 2024. Totus Tuus employee teams of young adults who are on fire for their faith to travel to parishes throughout the diocese putting on this week-long program that includes prayer and the sacraments, catechesis classes, personal testimonies, games, silly songs and skits, water day, and plenty of other fun! This program came to our parish for the first time in the summer of 2023, and got great feedback from the youth! Totus Tuus will be coming to St Stanislaus Parish again this summer during the week of **June 23- 28**. Mark your calendars as you won't want to miss this fun and faith-filled week!

Totus Tuus Housing - Volunteers Needed

This summer, our parish is hosting 4 missionaries from the Totus Tuus program during the week of June 22nd-28th. These missionaries give up their summer to travel to parishes spreading the Gospel. We are looking for volunteers to provide housing for 2 of the missionaries during that week. If you live within 10 minutes of St. Stanislaus Church and would be willing to open your home to the missionaries this summer, please contact Abby at the Parish Center: (573) 636-4925.

Pickleball

Come Join the Fun! Pickleball at the St. Stanislaus Pickleball Courts open play for adults is back on Thursdays from 5:15 until dusk. Contact Karen Douglas with any questions at 573-694-6700. Free lessons upon request.

LifeTeen

8th-12th graders, join us for LifeTeen on Sunday nights at 7 pm in the St. Stanislaus Parish Center! Teens from any parish are invited. Join us for dinner, games, faith talks, prayer, and to build relationships with others! We would love to see you there!

Volunteers Needed for LifeTeen Meals

Every Sunday night at our LifeTeen program for high schoolers, teens share a meal together before engaging in the nights activities of fun, faith, and fellowship. We would like to invite our parishioners to volunteer to provide the meals on Sunday nights as a way for the parish to share Christ's love with our teens. If you would like to provide a meal for LifeTeen, please sign up by scanning the QR code, or by emailing Abby at ststandre@ststan.net.

Of course, your prayers for the teens and LifeTeen leaders are always appreciated as well! Thank you so much for supporting this ministry!

St. Stanislaus School

Happy last day of school! Where did the year go? I want to express my heartfelt thanks to the students, parents, staff, and community members. Together, we have made this school year a success, and we will continue to achieve great things in the future. The staff at St. Stanislaus School wish you a safe and happy summer. See you back in August!

Cadet Teachers: Cadet Teaching is a course offered through Helias to help satisfy the hours necessary for the A+ program. Maddie Verslues and Will Gallagher from Helias earned service hours last semester in Mrs. Stockman and Mr. Campbell's classrooms. Thank you, Maddie and Will, for helping volunteering your time in our school!

7th Grade: Thank you to our 7th graders and their parents for their help with the reception after the 8th grade graduation! The decorations were bright and colorful, the food was delicious, and clean up was quick and easy. Many hands make light work indeed!

Patriotic Rosary: Thank you to our 5th graders, Mrs. Andrews, and Mrs. Stumpe who led a beautiful Patriotic Rosary to honor our nation! Each Hail Mary was dedicated to a state of the United States and we prayed for God's protection and guidance for our nation. Patriotic songs were sung between the decades as well as famous words from history.

Kindergarten Kick-off: We had our informational Kindergarten meeting this week with our incoming Kindergarten parents and students. Mrs. Stockman and Mrs. Armstrong discussed the ABCs of Kindergarten and got to meet their future students. Please contact the office if you would like further information about enrollment in Kindergarten class.

The For You Foundation: St. Stanislaus helped raise over \$1700 for The For You Foundation. Your dress down money helped bereaved mothers with therapy and hospital or funeral costs. Thank you for your donations to this great cause!

We Will Miss You: We said good-byes to a few of our staff members today. Mrs. Rehmert, our counselor, will be working with teens at The Counseling Hub in Jefferson City. Mrs. Patty Gibbons, our preschool aide, will be spending more time with her family, but we will still see her in the building occasionally as a substitute teacher. We wish them the best in the new adventures!

Welcome: Please extend a warm welcome to Wendy Taube who will be joining our team for the 2024-2025 school year. Wendy will be working alongside Mrs. Boggs as her aide in the PreK 4 year old room. We are so excited to have Wendy join our staff at St. Stanislaus School!

Field Day: Our Field Day was a huge success, and everyone had a great time! Thank you to our Home and School Association who organized the day and to our parents who volunteered their time! We also can't forget about the Cole County Sheriff's Department that let our kids play with their vehicles, Thorni Ridge Exotics who brought out animals for the petting zoo, Sno Biz that served up some delicious snow cones, and the Osage Fire Department who hosed our students down at the end of the day. Thank you to everyone listed above and anyone that I may have missed. Our day would have not have been the same without you!

Athletic Committee: Mrs. Eggen is looking for help with the athletic committee for the next school year. If you are interested, please reach out to her at stephaniee@ststan.net.

Lunch/Milk Fees: Please log into your FACTS Family Portal account to make sure your child's lunch accounts are up to date. Extra lunch money can be rolled over to the next school year. Registration will not be complete for 2024-2025 school year until balances have been paid.

Many blessings,

Megan Luebbert

Hi, I am Megan Luebbert. I was born and raised in Jefferson City. My husband, Matt Luebbert, and I have 3 children, Hazel (8), Greyson (5), and Slate (3). We love playing outside, hanging out with friends and family, and watching movies.

I am a Speech-Language Pathologist for the Jefferson City School District. This is my 12th year working in the district. I received my Bachelor degree from Missouri State University and my Masters from Fontbonne University studying Speech Language Pathology/Communication Disorders. I received a second Masters in Special Education with an emphasis in Autism from the University of Missouri. I enjoy working with students each and every day to help them improve their communication skills.

I look forward to serving on the Advisory Board. We have a lot of pride in this community. My husband was a St. Stanislaus graduate and was actually in the first kindergarten class.

Travis Bruemmer

Travis, his wife Megan, and two daughters, Alison and Charleigh, have been members of St. Stanislaus Parish for about five years. A lifelong catholic, Travis was previously a member of Immaculate Conception Parish in Jefferson City until 2018 when he and his family moved to Wardsville. The girls enjoy attending St. Stanislaus School where they are currently in 2nd Grade and Kindergarten. Travis is employed as a civil engineer at Bartlett & West in Jefferson City. In his spare time, he enjoys spending time with his family, traveling, and working around the house.

Jill Mingucci

Hi. My name is Jill Mingucci. I am a member of the St Stanislaus parish and seeking to be a member of the school advisory council. I have been married to Patrick Mingucci for 20 years this year. We have 3 daughters, all who attend St Stanislaus school. In the 24-25 school year, Corabelle will be in Kindergarten, Eleanor in 2nd grade and Amelia in 4th grade. I currently help with the Scrip program at school and attend almost every event that is held. My husband currently sits as the Parish Council President and I would love to have an opportunity to work with other members of the School Council to do what we can for all of our children. Thank you.

Susan Beck

Susan Beck is a fifth generation affiliate of our beloved school and parish. She is an alum of St. Stanislaus School (99'), Helias High School (03'), and University of Central Missouri (07'). She and her husband, Tyler, are members of St. Stanislaus parish. They have a daughter, Adelyn, who is in 4th grade and a son, Jude, who will be starting Kindergarten in August. For the past ten years, Susan has dedicated herself to her family as a stay-at-home mother. She now looks forward (bittersweetly) to the transition of this coming school year with having both children in full-time school so she can bring the same dedication and passion to becoming more involved in our school and other causes in and around our community.

Susan hopes to bring a fresh perspective with a genuine desire to address how we can grow together to continue providing a positive learning environment where our students can flourish both academically and spiritually. She looks forward to the opportunity to serve our wonderful school.

Sarah Weeks

Our family has been part of St. Stanislaus school for the past 7 years. Aaron and I joined this parish after moving to the area from Fulton. There, we were members of St. Andrew in Holts Summit. Our children, Lorelei and Caroline, are in 7th and 5th grades respectively. I was part of the St. Stanislaus Home & School Association for three years. I served as secretary, vice president, and president. I am currently serving on the St. Stanislaus Foundation Board and have been for several years. I have worked in education for the last twenty years. I have been in both private and public education, and I have taught math, science, and special education [specifically with blind students].

I am interested in joining the St. Stanislaus School Advisory Council, because I believe in Catholic education. I believe the standards we hold help prepare our children for their future education and careers. I feel the daily exposure to religion and our faith will help mold our young people into positive, Christian examples to others.

I would appreciate your vote. Thank you.

Jessica Long

Firstly, thank you for considering me for such an important role for St. Stanislaus Church and School. My name is Jessica Long and I was born and raised in Jefferson City and have a large family that has established roots in the community. My late grandfather, Robert Schulte, has provided our community with grocery needs at his store, Schulte's Fresh Foods, for decades and my family continues to own and operate this establishment.

I am currently a kindergarten teacher at Cedar Hill Elementary School in Jefferson City. I have worked as a kindergarten teacher for the Jefferson City Public School District for the past 16 years. I currently hold a Master of Arts in Teaching degree from the University of Missouri and a K-12 Administration Specialist degree from Southwest Missouri State.

Over the course of my teaching career I have been given many opportunities for leadership roles. The committees and cohorts that I have either led or worked within include our building Professional Learning Community, Assessment for Learning Cohort, Response to Intervention team, Positive Behavioral Support building coach and Social Committee Chair.

My husband, Gil Long, is a chief financial manager for the Department of Corrections Offender Financing division. He is also the owner of Long Photography. We have two children that are the most important things in our lives, along with our faith. Our son, Liam, will be starting his freshman year at Helias Catholic High School and our daughter, Evie, will be returning to St. Stanislaus School as a seventh grader in the fall. Our children are very active in basketball, softball, baseball, football, soccer and track. We also spend our family time fishing at our farm, traveling to the mountains to ski and relaxing on the beach each summer in Florida.

Along with my family, my faith in Christ is what keeps me going each day. Without Him and my Catholic faith, I would not have the blessings in my life. My husband and I recognize that we must be positive role models for our children and do our best to raise our children in a family that does all things through Christ and his message.

Thank you again for considering me as a candidate for the St. Stanislaus Advisory Council!
