Women's Health Clinic Survey

Father Daniel Merz, Pastor of Sacred Heart Parish and St. Thomas Newman Center in Columbia invites all women to complete a Women's Health Clinic Survey. Please read the following from Father Dan:

"Since my time at Newman and before, I have become more and more aware of the need to change the standard of care provided to women. Through talks on the "Genius of the Body" that we have offered regularly here at Newman, I've become concerned with the number of females who express not understanding well the functioning of the female body. And this goes together with the sub standard healthcare they have experienced with a majority of healthcare providers, for example, offering women the quick fix of a pill, a pharmaceutical, contraceptives, in vitro fertilization, etc., which do not respond to the actual problems or issues women are facing. Our Church is pro-woman and we need to significantly support women's health holistically and ethically with healthcare that listens in order to provide for what their needs are and how God designed their bodies.

I'm working with a number of women in Columbia to establish a Women's Health Clinic that will respond to these needs. This is inspired by the Guiding Star Project (founded by Leah Jacobson, author of "Wholistic Feminism"): <https://guidingstarproject.com/> Such a Clinic will offer essential services such as fertility care, pregnancy care, lactation consultation, pre and post menopausal care, family support, and several other female health services. Imagine a place where females can go during business hours to learn Natural Family Planning (NFP), feel safe, and know the care they receive aligns with their personal health needs on a regular basis. This could be a culture changing service for Columbia and the surrounding area!

At this point, we need to gather some survey data regarding the interest from women. Bishop McKnight is supportive of gathering information with a view toward supporting this project. PLEASE HELP! We have a very brief (7 question) electronic survey that will be available FOR THREE WEEKS over three weekends: July 13 - July 31."

Use this link or scan the QR code to complete the survey.

EMILY BAILEY

I have been a lifetime member of St Stanislaus Catholic Church. My husband, Chuck Bailey, and I have three children: Makenna (20), Brody (16), and Braxton(14). I am the youngest of Jerome and Alice Kampeter's eight children (several of whom are also parishioners of St Stanislaus). My parents have always instilled the values of our Catholic faith and teachings. My siblings and I, along with my children, have attended St Stanislaus School and Helias High School. Our church and school have always been "home" to me. I have been working for Central Bank for almost 25 years and I am currently heading the scrip program at St Stanislaus School which is a continuous fundraising program for our school and families.

JOSH BARBOUR

My name is Josh Barbour. I have lived in Taos/Wardsville all my life. I am married to Erin (Holzer). We have 3 kids, Davis, Easton and Finley, all of whom have attended St. Stanislaus. I look forward to the opportunity to serve the parish.

EMILY MANTLE

Emily (Siebeneck) Mantle is a lifelong parishioner of St. Stanislaus Church. She and her husband Darrell are active members of the parish. They have two children, Lainie, who is a senior in college, and Landon who is a senior in high school.

Emily has a bachelor's degree and a master's degree in business administration. She is employed by MU Health Care where she serves as the manager of internal and executive communications.

Emily has served St. Stanislaus Church and School in various capacities throughout the years, including the school board advisory committee, home and school, technology auction, and parish council.

SETH WEBB

My name is Seth Webb. I have been a member of St. Stanislaus for the last 15 years. In 2009 I went through the RCIA program and joined the Catholic Church at St. Stanislaus. I am a master electrician and work for Schneider Electric out of Jefferson City. I am a board member and owner of B & M Manufacturing out of Camdenton, MO. I am also a board member for our condo homeowners association at the Lake of the Ozarks. I married Jamie (Sandbothe) Webb at St. Stanislaus Church in 2011. My wife is a life long member of the parish that we both know and love. We have three children Zoey (7th grade), Zachary (5th grade) and Jaxon (1st grade).

My stewardship to the parish has been cleaning up the grounds working the picnics/fall suppers, and other social events. I also have been known to substitute at the PSR classes on Wednesday evenings. I help with the Box of Joy program at St. Stanislaus alongside with my wife and children. My hobbies include spending time with family, fishing, hunting, watching Zoey play volleyball, Zachary play football and Jaxon play t-ball.
