Summer Picnic Quilt Auction 2024

The Quilt Auction was a great success! A special thank you to the St. Stanislaus Ladies Quilting Group who faithfully quilted each week, pieced quilt tops, donated quilt tops, parishioners who donated quilts, embroidery pieces, and all other auction items. Many thanks to great hands who helped organize the auction, workers, and the Gratz Auctioneering Team on the day of our picnic. You are appreciated. It was a beautiful day and the weather was perfect. We especially want to thank all the quilt buyers who purchased the beautiful quilts and auction items. Your generous support and contribution is very much appreciated.

Announcement from the Knights of Columbus

We, the Knights of Columbus, are here today to speak for those without a voice... the unborn. I am sure most of you know we will be voting on a Pro-Abortion amendment to the Missouri state constitution in November which will forever change our rights as Missourians. Called, Missouri Right to Reproductive Freedom Amendment (2024), it is nothing more than legalized killing of babies. We would hope and pray I wouldn't have to ask or persuade any of you here to vote to protect the unborn. What we are asking and encouraging you to do is go to your workplace, schools or friends' groups and bring up the subject. Make sure your circle knows how you stand and they know the facts of this proposed amendment.

We do not have the exact wording that will be on the ballot yet, but here are a few key points of this amendment:

- Taxpayer funded abortions
- Abortions for minors without parental consent
- Remove liability and regulations from abortion providers
- Make abortions available up to the point of birth
- Pregnancy Resource Centers must refer abortions

The funding for the support of this amendment is almost 100% from outside Missouri such as the ACLU. The funding opposed to this amendment is 100% from various pro-life groups within Missouri. Why would any Missourian vote for any law proposed and funded entirely by groups outside our state? To combat this evil amendment, the Knights of Columbus has earmarked money from our Meet Life Fund. This money would normally be used to help protect the unborn and help families at-risk. Two years ago, at the KC state convention, we passed a resolution making \$5 per member a council obligation. We have asked all KC councils in the state to contribute their \$5 per member obligation to Meet Life (more if you can) as soon as possible. This vote in November will have life and death consequences. History will judge as to how hard we fight this evil amendment and stand up for the unborn.

Please be alert and vigilant. As more information becomes known, the Knights of Columbus will be here to keep you informed and protect the lives of our most vulnerable.
