Bishop McKnight's October Prayer Intention for our Local Church

For a greater conversion of hearts to God who loves us so much; that in living the stewardship way of life, we may avoid any sense of entitlement in our relationships with God and one another.

St. Stanislaus School

We have so many good things to appreciate this week!

Walk for Life: The Pro-Life Committee held their awards last Friday after Mass and treated the students to RJ's Italian Ice, an extra recess, and other goodies. Thank you to everyone that participated in raising money and to the Pro-Life Committee for organizing the event!

Thank you: Thank you to Tyler and Susan Beck for spoiling our staff last Friday with goodies from Plate and Pour along with coffee and juice! Everything was delicious and much appreciated.

Decorations: Our Student Council wanted to spruce up the front entrance of the school with some fall decorations. Many people had their hand in making this possible including Charlie Bruemmer who donated some hay bales to add to the display. It looks great!

Counselor: Great news! Brooklyn Rehmer is returning to our school approximately once a month to support and counsel our students. We cannot wait to have her back at St. Stan assisting our kids.

Calendar Change: Our 8th graders last day of school is now Tuesday, May 6th with their promotion ceremony at 6:30 p.m. on Wednesday, May 7th.

Have a great weekend and take some time to spend it with Jesus!

Many blessings, Mrs. Forbis

LifeTeen

The next meetings for LifeTeen at St. Stanislaus will be November 10 and December 8 in the Parish Center.

Volunteers needed for PSR

The St. Stanislaus Parish School of Religion (PSR) provides Religious Education and Catechesis to children in kindergarten-7th grade who do not get catechesis through our Catholic school. This program has supported our parish families for many years through the devotion of volunteers from the parish who lead weekly religion classes during the school year. Our PSR program is currently looking for volunteers to teach PSR classes, be aides to our current teachers, and to be put on the substitute teacher list for PSR. If you are interested in volunteering in any way to support the religious education of children in our parish, please contact Abby at the Parish Center, or email ststandre@ststan.net.

See City Deanery

Did you know that St. Stanislaus Parish is a part of the See City Deanery? The Diocese of Jefferson City is divided into five deaneries and St. Stanislaus is a part of the See City Deanery. Parish leadership in the deaneries has been meeting regularly to improve pastoral collaboration and communication, and to facilitate the sharing of resources, activities, and pastoral initiatives. A number of events are offered by our sister parishes in the See City Deanery and are available to St. Stanislaus parishioners. Some examples include grief support groups and XLT Adoration along with much more. Scan the QR code or visit <https://diojeffcity.org/blog/2024/05/15/see-city-deanery-update/>

Stewardship renewal

Catholic Stewardship Renewal commitment weekend is October 19-20. Now is the time to discern about how we can pray more, actively participate in the life of our parish family and the universal Church and give sacrificially our first fruits. Your packet is available in the back of church from October 5th through the 13th. After that, packets will be mailed. Please help us save postage by picking up your packet before or after mass. You may turn your information in by mailing it to or dropping it off at the parish office or by dropping it in the collection basket at mass. We would like for parishioners to turn their renewal information in by the end of October.

And why are we being called to do this renewal? Because we were created in the image of God and we are all called to be his hands and feet to love and serve using our God given gifts.

We invite all parishioners to participate in this spiritual process, the goal of which is to strengthen the ministry of our parish by calling everyone into a deeper level of discipleship and relationship with the Lord Jesus.

MO Catholic Conference Statement on Amendment 3

Amendment 3, which will appear on Missouri's November 2024 ballot, is an extreme constitutional amendment that legalizes abortion at any stage of pregnancy with no protections for the preborn child, even when the child is capable of feeling pain. The amendment would effectively repeal long-standing health and safety standards for women. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws prohibiting public funding of abortion, and parental consent requirements before a minor's abortion.

Jubilee Year of 2025

Dear Parishioners,
Every 25 years, the Catholic Church proclaims a year of Jubilee. During that year various churches are designated pilgrimage churches where one may go to pray and obtain the Holy Year indulgences. The basilica's in Rome are given special prominence as places to make pilgrimage in the Year of Jubilee. On December 24, 2024, Pope Francis will proclaim the Jubilee Year of 2025. You are invited to make a pilgrimage to Rome in 2025. Several pilgrimages are being planned to travel from our Diocese to Rome. Monsignor Cox will lead a pilgrimage to Rome leaving on May 28 and returning June 5, 2025. If you are interested, there are flyers in the back of church. Please register early to secure a spot!

Announcement from the Knights of Columbus

We, the Knights of Columbus, are here today to speak for those without a voice... the unborn. I am sure most of you know we will be voting on a Pro-Abortion amendment to the Missouri state constitution in November which will forever change our rights as Missourians. Called, Missouri Right to Reproductive Freedom Amendment (2024), it is nothing more than legalized killing of babies. We would hope and pray I wouldn't have to ask or persuade any of you here to vote to protect the unborn. What we are asking and encouraging you to do is go to your workplace, schools or friends' groups and bring up the subject. Make sure your circle knows how you stand and they know the facts of this proposed amendment.

We do not have the exact wording that will be on the ballot yet, but here are a few key points of this amendment:

- Taxpayer funded abortions
- Abortions for minors without parental consent
- Remove liability and regulations from abortion providers
- Make abortions available up to the point of birth
- Pregnancy Resource Centers must refer abortions

The funding for the support of this amendment is almost 100% from outside Missouri such as the ACLU. The funding opposed to this amendment is 100% from various pro-life groups within Missouri. Why would any Missourian vote for any law proposed and funded entirely by groups outside our state? To combat this evil amendment, the Knights of Columbus has earmarked money from our Meet Life Fund. This money would normally be used to help protect the unborn and help families at-risk. Two years ago, at the KC state convention, we passed a resolution making \$5 per member a council obligation. We have asked all KC councils in the state to contribute their \$5 per member obligation to Meet Life (more if you can) as soon as possible. This vote in November will have life and death consequences. History will judge as to how hard we fight this evil amendment and stand up for the unborn.

Please be alert and vigilant. As more information becomes known, the Knights of Columbus will be here to keep you informed and protect the lives of our most vulnerable.
