Dear Parishioners,

A year has passed already since we have had our sign ups for the sharing of our time, talent and treasure. You may ask, "Why do this again since I just did it last year". A yearly renewal encourages us to reaffirm our dedication to nurturing the life of our parish, strengthening the bonds of fellowship, and continuing to grow in faith together. This is a moment to reflect on how God has worked through you, and how you can continue to be faithful stewards of His many gifts.

Consider even in our sharing of time and talent how things might change. Maybe you would like to try something different. Maybe you have retired and the times you can spend are different now. Maybe you have thought of a new way you can be of service. Whatever it may be, we need you to fill out your time and talent sheets so we can work together to make our parish better.

Please take some time to prayerfully consider how you might offer to be of service in our parish.

Thank you for your generosity. Thank you for helping to make Saint Stanislaus a wonderful community of believers.

May God Bless you!

Monsignor Cox
