Will be held as collateral for the purposes of the loan.

Signers for loan are Wayne (President) / Justin (secretary)

Mid America Bank donated 29 chairs that match our current chairs from their Holt Summit Branch.

We ordered window coverings that have a sound absorption rating for \$4,008.00

Chris Hentges ordered rugs and some more sound panels

It was brought up about adding some pub tables / Gene is going to look at that cost.

Chris Hentges is looking into a projector system instead of a tv. We should have enough TVs at the moment.

Sircal has been paid in full. Any additional costs would now be getting things on as needed basis to supply to the functions and requests that have been made to make the building better.
