Dear Parishioners,

The finance council has finalized the budget for the 2025-2026 fiscal year. In the last several years, our parish has been blessed with the ability to maintain and improve our parish properties, purchase and remodel a new parish office and complete a building purchase from the Knights of Columbus. We have also been able to maintain our superior level of education to our students in St. Stanislaus School. Our spiritual community is strong and healthy.

However, the parish is not immune from the price increases we have all experienced in the last several years. For comparison purposes, our finance council compared a few key figures for the fiscal year of 2020-2021 and the fiscal year of 2023-2024. This is a four-year period. During this time frame, our offertory collections have increased 1.3%. The salaries for operating our school have increased 10.93%, with total school expenses reflecting an increase of 11.40%. Total expenses for the parish (including school expenses) have increased 28.58%.

The finance council meetings have been filled with many discussions related to balancing our budget. A 1.3% increase in offertory doesn't cover a 28.58% increase in expenses. Granted, we do have other sources of income such as school fees, picnic, fall festival and other outside donations. Even with this income, the finance council has budgeted for a deficit in excess of \$200,000 in the 2025-2026 fiscal year and we expect to fund the deficit with reserved funds.

We understand everyone is experiencing the same price increases. Our only request is for each parish family to review the amount of your annual giving to our parish. Are you able to increase the amount of your weekly or monthly contribution? Did you sign up for electronic payments four years (or longer) ago and need to update the amount? Other opportunities might include:

- Remember St. Stanislaus in your will, trusts and estates.
- Consider donations of stocks or mutual funds
- For those aged 70 ½ or older, donations directly from IRA's to St. Stanislaus

We are most grateful for our generous parish family. St. Stanislaus is a vibrant parish, and we are most fortunate to be good stewards of the blessings we have been provided.

Thank you for your prayerful consideration.

Sincerely yours in Christ.
