Dear Parishioners,

It is time once again to renew our yearly commitment of time, talent and treasure. This gives us an opportunity to look at new options on how we can serve, what we have to offer to our parish, and how do we respond in giving for all the blessings that God has given to us.

How can you serve? We are always in need of new rosary leaders, lectors, servers and extraordinary ministers of holy communion.

Do you have musical talent? Whether you play the guitar or organ, sing solo or want to join the choir, we would love to have you share your talents with us.

Do you have a talent for fixing things? We have a big plant with lots of buildings. We have a group of dedicated volunteers who need help with some physical labor to help maintain our facilities.

In the past few years, much has been done and we have so much more to do.

Thank you for your generous response. Thank you for helping to make St. Stanislaus such a great parish!

May God bless you!

Monsignor David Cox
